WE'RE FIRED UP FOR "FUN-DRAISING"!

When your children need care afterschool or a camp experience during the summer, where do you turn? If you're like most in our community, you come to the YMCA.

Why? Because you know you will receive fun activities with caring people who enjoy working with kids. And they will be treated well by dedicated, compassionate, childcare professionals in a warm, caring environment.

This year, your help in the campaign will not only serve the YMCA children but will be fun for you! During the month of February you can eat out, play golf, and support fun activities all while giving back to the YMCA. By engaging in these activities you are helping our staff touch the lives of thousands of children seeking to improve their quality of life through YMCA programs like sports, swim, day camps and Youth & Government.

Your gift is extremely important because it offers immediate resources that support current needs and opportunities for the children and families of the Coachella Valley.

Thank you for having fun for a cause!
